## YOUNG GUN OF BURGUNDY

### Pierre-Henri Rougeot

Pierre-Henri Rougeot creates dynamic, soulful and balanced wines, rippling with an avant-garde flair. Growing up in Meursault at the home of Domaine Rougeot, Pierre-Henri learnt first-hand the work and life of a vigneron.

After graduating, Pierre-Henri spent a year working the vineyards at famed Domaine de Montille in Volnay before selling oak barrels for one of France's most highly regarded coopers. This move led him into the cellars of some of the world's most prominent wine growers; he saw up-close the dedication, passion and skill of lauded vignerons including Philippe Alliet in Chinon, Domaine de la Romanée-Conti in Burgundy and Jean-Francois Ganevat in Jura. This experience imbued Pierre-Henri with both an enviable knowledge and a unique openness to diverse wine making practices. He saw there was no single way to creating great wines, and in this liberating spirit, he began to see his own path.

In 2010, Pierre-Henri was granted creative agency at Domaine Rougeot, and oversaw wholesale improvements in the winemaking processes that are reflected in the quality we know today.

Like his inspiration, Lalou Bize-Leroy, Pierre-Henri is passionate about working with a high percentage of whole bunches for reds and very little sulphur to champion and fully express the fruit. The vineyards of his choosing all engage in organic or low footprint farming methods and his wines are made without oenological ingredients, preserving their regional voice.

### WHITES

150ml

<b>Riesling</b>	<b>2021</b>	<b>Rippon 'Jeunesse' Young Vines, Central Otago</b>	<b>26</b>
<p>Rippon Vineyard is one of the most breathtaking sites in Central Otago. For over a century the Mills family has farmed this small patch of earth on the banks of Lake Wanaka. Nick Mills is the fourth generation of his family to walk the rows on Rippon. He now farms the site according to biodynamic principles. In the wines of Rippon, you can sense everything that is transcendent about terroir-driven winemaking where the story of a place is told through the wines it produces.</p>			
<b>Sauvignon Blanc</b>	<b>2017</b>	<b>Serge Dagueneau, Pouilly-Fumé, France</b>	<b>25</b>
<p>The 'Dagueneau' name is uncontrollably linked to the appellation of Pouilly Fume, all down to one man, the late 'Didier Dagueneau'. Serge Dagueneu is Didier Dagueneau's uncle and the daughters of Serge, Florence and Valerie are producing equally scintillating wines. Pure, quite expressive, a true varietal classic.</p>			
<b>Pinot Gris</b>	<b>2022</b>	<b>Ocean Eight, Mornington Peninsula, Australia</b>	<b>18</b>
<p>Ocean Eight's Mike Aylward is one of the pioneers of a serious style of Pinot Gris in Australia. Mornington Peninsula has to be quintessential region for Australian Pinot Gris and this textured, floral, crisp and fresh Pinot Gris always delivers.</p>			
<b>Pecorino</b>	<b>2021</b>	<b>Lunaria 'Civitas', Abruzzo, Italy</b>	<b>22</b>
<p>The Lunaria winery applies both organic and biodynamic agriculture. It is a leader in organic and biodynamic cultivation being named winery of the year at Vinitaly. Biodynamics is governed by strict regulations that set the standard of quality. It follows a control exercised by Demeter Italy. Aromatic nose with hints of broom, white fruits and ethereal with a fresh, intense, fruity palate.</p>			
<b>Chardonnay</b>	<b>2021</b>	<b>Usher Tinkler 'Reserve Chardonnay', Hunter Valley, NSW</b>	<b>25</b>
<p>Usher Tinkler is one of Australia's most dynamic young winemakers. Along with his grandfather and father, he is apart of three generations of farming expertise. Located in the original Pokolbin Church, that was built in 1905. Blurring the lines between traditional and contemporary winemaking. Ripe melon and lemon characteristics, with a hint of French oak and complexity</p>			
<b>Chardonnay</b>	<b>2021</b>	<b>Domaine Mosnier, Petit Chablis France</b>	<b>24</b>
<p>Since 1893, inspired by the same desire and the same conviction to always do well, several generations of family winemakers have followed one another and applied with force and determination to working the vines, and producing wines in the pure tradition and authenticity of Chablis. The new generation, embodied by Stéphanie, combines tradition and modernity within the production. This is a classic Petit Chablis, crisp and dry, fruit-forward and easy-going</p>

## ROSE

150ml

Grenache blend	2021	<b>Château D'esclans 'Whispering Angel', Provence, France</b>	26
----------------	------	---	----

Château d'Esclans is a magical property situated in the heart of Provence and has widely presented itself as a classic reference for Provence Rose. A very summery and a refreshing style with a bright berry fruit.

## REDS

150ml

**Gamay**                      **2021**                      **Jean Paul & Charly Thévenet 'en Voiture Simone'**                      **28**  
**Régnié, Beaujolais, France**

Jean-Paul Thevenet is one of the original – and now legendary – 'Gang of Four', alongside other Beaujolais luminaries: Guy Breton, Jean Foillard and Marcel Lapierre. It's a departure from their structured dense Morgon wines, being sourced from a small plot in the neighbouring Regnie Cru. It's a fresh bowl of cherries and raspberries in a wine glass, backed up by a fine line of tannin and a linear finish.

**Pinot Noir**                      **2022**                      **Meadowbank, Pinot Noir, Derwent Valley, Tasmania**                      **26**

Meadowbank is one of the oldest vineyards in Tasmania with the Ellis family having farmed this site since 1976.

After taking a brief hiatus from producing their own wines, Meadowbank now has the formidable talents of winemaker Peter Dredge at their disposal.

With Dredge in the winemaking hot seat, Meadowbank is set to be one of the benchmark producers. Smokey on the nose with hints of fragrant red fruits, spices. Structured Pinot Noir with savoury finish.

**Nerello Mascalese**                      **2021**                      **Theresa Eccher 'Passione', Etna, Sicily, Italy**                      **26**

Coming from the Iconic Volcanic Hill of Etna, the wines made by Theresa Eccher are definitely full of passion and respect to its territory. A great alternative to Pinot noir, the bouquet is quite fragrant, intense but soft with a slight savouriness.

**Tempranillo**                      **2019**                      **Torres 'Seleccion de Torres Celeste'**                      **23**  
**Crianza Ribera Del Duero, Spain**

Founded in 1870 by Jamie Torres, today the Bodegas Torres is considered to be one of the world's great wine families producing wines from across Spain, Chile and California.

Fascinating deep, dark cherry red colour. Intense, concentrated aromas of black fruit, revealing notes of ripe figs and an exquisite smoky, mineral. Velvety and flavourful on the palate with noble, fine-grained tannins. Oak ageing endows the wine with fine notes of spices and roasted coffee.

**Shiraz**                      **2021**                      **Yangarra 'Kings Wood', McLaren Vale, Australia**                      **28**

The Yangarra philosophy is to produce wines from our single vineyard estate, that reflect an authentic sense of place. The remaining 80 hectares are preserved for native vegetation and wildlife and is intended to enhance the symbiotic relationship between the vines and their natural environment. Dark fruits on the nose with hint of sweet spices and vanilla. Smooth and textural shiraz.

**Cabernet blend**                      **2015**                      **Château Senejac Haut-Medoc, Bordeaux, France**                      **26**

Château Sénéjac extends over 150 hectares, within which 41 hectares of vines are exploited. The average age of the vineyard is 35 years and the average planting density is 6 600 vines per hectare. Each intervention in the vineyard is reasoned according to the characteristics of the plots in order to respect the expression of the terroir. The vineyard is managed by the practice of integrated viticulture. This Chateau Sénéjac is characterized by a very expressive nose exhales scents of black fruits and spices.

In mouth, Sénéjac presents a lot of fullness and intensity while remaining suave and civilized thanks to the smoothness of its tannins.

## CHAMPAGNE GROWERS

### THE LEGEND OF EGLY-OURIET!

A Champagne grower of riveting purity and intensity, Francis Egly is a vigneron growing and crafting vines that offer a remarkable transparency of sites which define the Egly philosophy. Very low yields, old vines, only great sites, perfectly ripe fruit, extended lees aging that allow the terroir to speak most clearly. There are close to 10 hectares of Grand cru vineyards, mostly in Ambonnay, but also in Verzenay and Bouzy. Then, there's two hectares of Pinot meunier in the 1er cru village of Vrigny, that gifts the coveted 100% pinot meunier Les Vignes de Vrigny. and now, there are also estate vines in the villages of Trigny (in the Massif de Sainte-Thierry area just north of Reims) and Bisseuil (near Mareuil-sur-aÿ and Aÿ, south of Ambonnay).

## CHABLIS GRAND CRU

Chablis Grand Cru is the appellation for the highest-quality Chardonnay produced around the town of Chablis, Northern Burgundy. It is produced from seven named vineyard sites (Preuses, Bougros, Vaudésir, Grenouilles, Valmur, Les Clos and Blanchot) which cover just 101 hectares (250 acres) immediately east of the town. They constitute approximately one percent of the region's production. The secret behind Chablis Grand Cru wines is the very specific terroir from which they come. In fact, the particular combination of climate and soil type in Chablis is often held as the archetypal example of the influence of terroir on wine.

## DIGESTIF TROLLEY

### LES LIQUEURS DE JEAN-MARC ROULOT

Guy Roulot had a tradition of making remarkable and acclaimed "eaux de vie" and liqueurs from local fruits such as pear, apricots and raspberries. The local winegrowers and consumers branded his pear eaux de vie "Poire du Roulot". Jean-Marc is continuing this tradition by buying fruits in Burgundy including apricots from renowned wine producer Jean-Louis Chave in Mauves in the Rhône Valley. The apricot liqueur is called "L'Abricot du Roulot". He decided to made Le Citron from organically grown lemons in Sicily.
