EXCLUSIVE ALLOCATION POURING

At The Charles Brasserie, we believe that great wines should never be reserved only for special occasions or hidden away in the cellars gathering dust. They deserve to be shared, experienced, and savored by anyone who has a passion for the beauty that wine can offer. That's why we're offering rare and very limited wines by the glass.

These are wines that are incredibly limited, often difficult to obtain, and only made available in selected quantities. By offering them by the glass, we give you the opportunity to explore some of the world's most exclusive wines without the need to commit to an entire bottle.

For us, it's all about sharing a love for outstanding winemaking and inviting you to taste the wines from the world's finest producers

Each glass serves as a ticket to explore some of the world's finest and most exclusive wines, giving you a taste of something truly unique. Whether you're a wine enthusiast or just beginning your journey, we want you to experience these gems, and bring a little bit of luxury into your everyday moments.

But it's not just about wine—it's about the connections we make, the stories we share, and the memories we create with every pour.

Enjoy the journey!

CHABLIS GRAND CRU

Chablis Grand Cru is the appellation for the highest-quality Chardonnay produced around the town of Chablis, Northern Burgundy. It is produced from seven named vineyard sites (Preuses, Bougros, Vaudésir, Grenouilles, Valmur, Les Clos and Blanchot) which cover just 101 hectares (250 acres) immediately east of the town. They constitute approximately one percent of the region's production. The secret behind Chablis Grand Cru wines is the very specific terroir from which they come. In fact, the particular combination of climate and soil type in Chablis is often held as the archetypal example of the influence of terroir on wine.
