## OUR PHILOSOPHY

At Charles Brasserie & Bar, our wine list is a celebration of Europe's great wine traditions – led by the classic regions of France, Italy, and Spain – complemented by global benchmarks, including standout Australian producers.

Our focus is on balance, elegance, and typicity, whether you're enjoying an old-world icon or a modern classic. A particular highlight of our wine program is our rare and limited-availability wines by the glass, offering guests the opportunity to explore exceptional bottles without committing to the full bottle.

Our food is rooted in European brasserie style, driven by seasonal produce and precise technique.

We extend our sincere thanks to the growers, winemakers, and artisans whose work makes this experience possible.

Enjoy,

The Charles Brasserie & Bar Beverage Team

# LEGEND OF GERMAN RIESLING

JOH. JOS. PRÜM

Founded in 1911 in the village of Wehlen, Joh. Jos. Prüm is regarded as one of the Mosel's most iconic Riesling producers, renowned for crafting wines of remarkable precision, purity and longevity. Still family owned and led today by Dr. Katharina Prüm and Dr. Manfred Prüm, the estate farms legendary steep slate vineyards including Wehlener Sonnenuhr, Graacher Himmelreich and Bernkasteler Lay.

Their wines are defined by the unique blue Devonian slate soils of the Middle Mosel, producing Rieslings with striking minerality, vibrant acidity and exceptional balance. Each vineyard expresses a distinct personality from the layered richness and depth of Wehlener Sonnenuhr to the lifted elegance of Graacher Himmelreich and the broader structure of Bernkasteler Lay. Through careful traditional winemaking and indigenous yeast fermentations, Joh. Jos. Prüm creates wines that remain delicate and weightless in style while possessing extraordinary concentration and the ability to age gracefully for decades.

## AUSTRALIAN BENCHMARK

### TYRRELL'S

Since its founding in 1858, Tyrrell's Wines has become one of the cornerstones of Australian wine history, with generations of the Tyrrell family helping shape the reputation of the Hunter Valley on the world stage. The story of 'Vat 63' began in the early 1960s, when the winery started identifying and bottling wines from individual vats that showed exceptional character and balance. Over time, 'Vat 63' became one of the estate's most recognised labels a wine that captures both the heritage of the region and Tyrrell's philosophy of restraint, longevity and site expression. Blending Semillon and Chardonnay, the wine combines the freshness and tension of Semillon with the texture and generosity of Chardonnay, creating a style that feels both classic and distinctly Australian.

The warm days and cooling influences of the Hunter Valley allow 'Vat 63' to maintain freshness and structure while developing richness and complexity with age. Each vintage reveals a different expression of the blend from bright citrus, green apple and youthful tension in cooler years to softer stone fruit, texture and savoury depth in warmer vintages. Through careful vineyard management and restrained winemaking, Tyrrell's crafts wines that remain energetic and approachable in youth while possessing the balance and structure to evolve gracefully over time. The result is a wine that captures both the history of the Hunter Valley and the enduring legacy of one of Australia's most iconic producers.

## THE VICTORIAN QUEEN

### MOUNT MARY

Founded in 1971 in the Yarra Valley, Mount Mary Vineyard is regarded as one of Australia's most iconic family-owned wineries, renowned for producing elegant, age-worthy wines inspired by the great estates of Bordeaux and Burgundy. Established by John and Marli Middleton, the estate quickly gained a reputation for its restrained and site-driven approach, with 'Triolet' becoming one of Australia's benchmark white blends. Combining Sauvignon Blanc, Semillon and Muscadelle, the wine is crafted to emphasise finesse, texture and longevity rather than overt fruit richness, reflecting Mount Mary's philosophy of balance and subtlety.

The cool-climate vineyards of the Yarra Valley give 'Triolet' its signature freshness, vibrant acidity and layered complexity. Each vintage expresses a unique character from bright citrus, white florals and mineral tension in youth to richer notes of lanolin, honey, toasted nuts and savoury depth with bottle age. Through careful vineyard management, wild fermentations and restrained oak use, Mount Mary creates wines that remain poised and refined while developing remarkable complexity over time. The result is a white blend that captures both the elegance of the Yarra Valley and the timeless style that has defined Mount Mary for over five decades.

## TASMANIAN HERITAGE

### TOLPUDDLE

Established in 2011 in the Coal River Valley of Tasmania, Tolpuddle Vineyard has quickly become one of Australia's benchmark producers of cool-climate Pinot Noir and Chardonnay. Originally planted in 1988, the vineyard gained international recognition after being acquired by the Shaw + Smith team, who saw the extraordinary potential of the site's low-yielding vines, cool growing season and unique combination of sandstone and light clay soils. Tolpuddle Pinot Noir is crafted with a philosophy of precision and restraint, focusing on purity of fruit, texture and site expression rather than heavy extraction or excessive oak influence.

The cool maritime climate of Tasmania's Coal River Valley gives the wine its signature brightness, perfume and fine structural detail. Each vintage expresses a different side of the vineyard from vibrant red berry fruit, spice and lifted aromatics in cooler years to darker fruit, savoury complexity and greater depth in warmer seasons. Through careful vineyard management, wild fermentations and subtle oak maturation, Tolpuddle creates Pinot Noir that remains elegant and finely detailed while possessing remarkable concentration and ageing potential. The result is a wine that captures both the energy of Tasmanian Pinot Noir and the refinement that has made Tolpuddle one of Australia's most sought-after cool-climate estates.

## CHÂTEAUNEUF'S FLAGSHIP

### VIEUX TÉLÉGRAPHE PIEDLONG

Founded in 1891, Domaine du Vieux Télégraphe is one of the most historic and revered estates of Châteauneuf-du-Pape, with the Brunier family farming the famed La Crau plateau for six generations. 'Piedlong' was created as a more site-specific expression of Grenache, sourced from vineyards planted near the northern edge of the appellation where sandy soils and limestone influence produce wines of greater perfume, finesse and freshness compared to the power traditionally associated with Châteauneuf-du-Pape. While carrying the unmistakable depth and sun-soaked character of the Southern Rhône, 'Piedlong' is crafted with an emphasis on elegance, precision and purity of fruit.

The warm Mediterranean climate, cooling Mistral winds and diverse terroirs of Châteauneuf-du-Pape give 'Piedlong' its layered and expressive personality. Each vintage reveals a different side of the wine — from vibrant red fruits, florals and spice in cooler years to darker fruit, garrigue and savoury depth in warmer vintages. Through traditional winemaking, whole-cluster influence and restrained élevage in large old oak foudres, Vieux Télégraphe creates wines that remain energetic and refined while developing remarkable complexity with age. The result is a modern yet deeply authentic expression of Grenache that captures both the history of the Brunier family and the timeless character of Châteauneuf-du-Pape.

## BAROLO'S

### PAOLO SCAVINO RAVERA

Founded in 1921, Paolo Scavino is regarded as one of the great modern traditionalists of Barolo, combining generations of family heritage with a meticulous focus on vineyard expression and precision winemaking. The estate rose to international prominence under Enrico Scavino, whose work in the vineyards and cellar helped redefine modern Barolo while maintaining a deep respect for the identity of each cru. 'Ravera', sourced from the celebrated Ravera vineyard in Novello, is one of the estate's most sought-after single-vineyard wines, known for producing Barolo of remarkable tension, perfume and longevity. Compared to the broader and more powerful styles often associated with Barolo, Ravera is prized for its lifted aromatics, mineral structure and finely detailed elegance.

The high-altitude limestone and clay soils of Ravera, combined with cooler temperatures and strong diurnal shifts, give the wine its signature freshness, precision and age-worthy structure. Each vintage reveals a different expression of the site from vibrant red cherry, rose petal and spice in cooler years to darker fruit, earthy depth and greater concentration in warmer seasons. Through careful vineyard management, extended maceration and restrained oak ageing, Paolo Scavino crafts wines that remain energetic and refined while developing extraordinary complexity over time. The result is a Barolo that captures both the power of Nebbiolo and the finesse that has made Ravera one of the most revered crus in Piemonte.
